

SHARED CAR IN YOUR USE

Dear Resident and Visitor of Utsjoki,

You have access to Utsjoki Municipality's shared car, a Toyota Rav4. You can use the car for all your daily needs, such as leisure activities, grocery shopping, or visiting friends. The car is located at Utsjoki Town Hall, Luossa 1.

For practical questions, please contact Omago Customer Service: 020 127 7799.

Car user manual: www.omago.fi/ohjeet

You only pay:

€8/hour + €0.14/km

or

€60/day + €0.14/km

Fuel is included in the price!

VAT 25.5% included.

Quick guide to using the car

1. BOOKING THE CAR

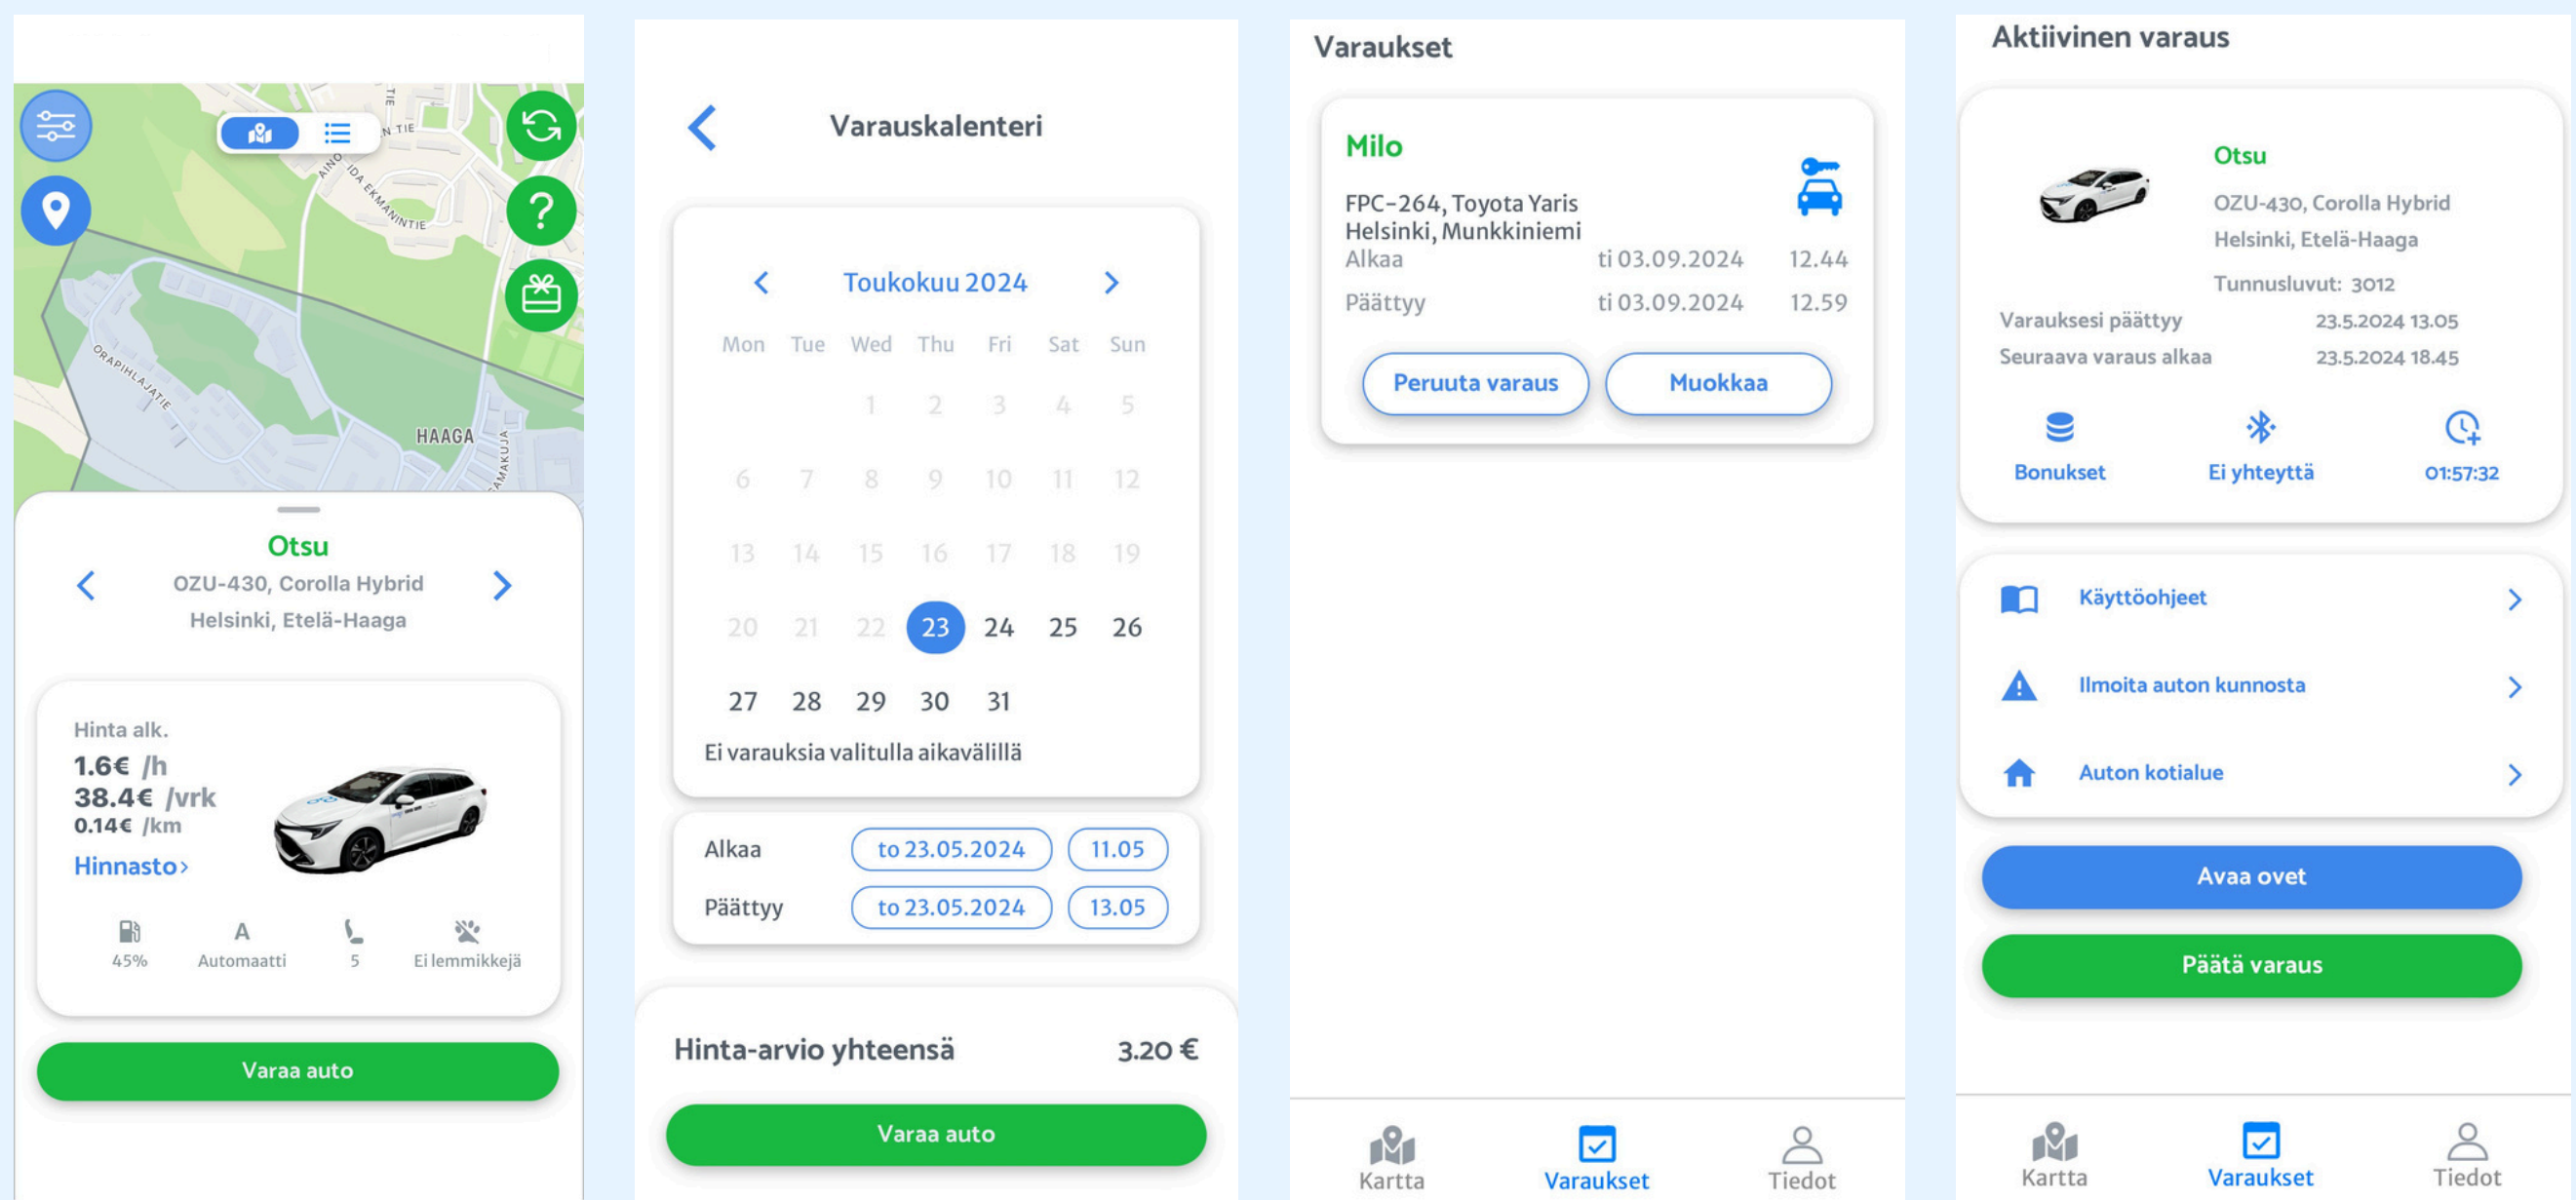

After registration, you can book the car via the app. From the map view, start your booking by selecting the car on the map. Choose your desired time and, if desired, reduce your liability excess. After that, confirm the booking.

2. USING THE CAR

When your booking begins, you can activate it from the app's "Bookings" tab. Go to the car and activate your reservation. The system will ask you to check the car's condition. Perform the check and accept the condition. If you find any damages, you can report them directly through the system. After activating your reservation, the doors will open via the app (see the picture below). During your booking, you can use the car's own keys, which are located in the glove compartment.

3. ENDING THE BOOKING

Park the car back in the same spot. End the booking, and the doors will automatically lock when the booking is completed. The key should be left in the car's glove compartment.
